COMMENTS ON EU COUNCIL'S DRAFT "CODE OF CONDUCT FOR OUTER  
SPACE ACTIVITIES"

REF: SECSTATE 2007

(SBU) Political Officer delivered the reftel demarche to Mr. Petr Chalupecky, the MFA's Deputy Director for Security Policy, on January 13. Chalupecky appreciated receiving the points and understood our concerns, but did not offer any substantive comments. He also said that he would forward the points to Mr. Jiri Svoboda, Head of the Disarmament and Conventional Arms Unit within the MFA. Post confirmed that Mr. Svoboda received the points on January 15 and had no further comment.
